EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claims **21-53** have been cancelled.

Election/Restrictions

This application is in condition for allowance except for the presence of claims 21-56 were directed to an invention non-elected and have, therefore, been cancelled to move this application to issue.

REASONS FOR ALLOWANCE

Claims 1, 2, 4, 6-20, 57, and 58 are allowed.

The following is an examiner's statement of reasons for allowance:

The subject matter of the independent claims could either not be found or was not suggested in the prior art of record. The subject matter not found was the AV shunt graft having a tubular sleeve having a plurality of ribs formed unitarily with the sleeve, each of the ribs being straight and parallel along a longitudinal axis of the tubular body from end to end, and wherein the ribs are at least partially uncovered to allowed to have direct contact of the ribs with body tissue when implanted into the body in combination

with the other elements (or steps) in the claims. The prior art of record does not teach ribs integrally formed with a tubular sleeve over a tubular body, and wherein the ribs are straight and parallel along a longitudinal axis of the tubular body.

Henderson 6,926,735 discloses an implantable graft having a plurality of longitudinally extending ribs, however, is not prior art against the claims of the instant invention because the effective filing date of Henderson is after the effective filing date of the instant invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
